

| Materials -Everyday materials | Animals, including humans | Plants | Seasonal Change |
|--|--|--|---|
| Identify materials. Eg- wood, plastic, metal | There are 6 main groups of animals - mammals, birds, fish, reptiles, amphibians and insects | Name & identify some common plants | Name the 4 seasons – spring, summer, autumn and winter |
| Identify materials by their properties. Eg – smooth, soft | Identify some characteristics of the 5 groups | Label the basic parts of a plant – roots, stem, flower | Name different types of weather Snow, rain, sun, fog, wind |
| Materials are what something is made out of. objects are what it is made into | An herbivore only eats plants. A carnivore only eats meat & an omnivore eats both | Know the role of the basic parts of a plant – roots take in water and food, stem hold the flower, flower produces pollen | Know the weather in each season – spring – rain getting warmer, summer hotter and dry, autumn more rain getting colder and winter cold snow |
| Group together materials according to a similarity | Name the main parts of the human body – facial features, knees, elbows, shoulder etc | Sequence the seasonal cycle of trees buds and blossom, leaves, turn brown and fall off | The earth spins causing day and night |
| Natural were not made, they are found in our land. Man-made objects are made by humans | Able to label the main parts of the human body | A plant needs light, water and warmth to grow | How the amount of daylight changes in each season. The days are short in the winter and long in the summer |
| Types of materials: wood, plastic, glass, metal, water, rock, brick, fabric, sand, paper, flour, butter, milk, soil Properties of materials: hard/soft, stretchy/not stretchy, shiny/dull, rough/smooth, bendy/not bendy, transparent/not transparent, sticky/not sticky Verbs associated with materials: crumble, squash, bend, stretch, twist Senses: touch, see, hear, smell and taste | Human, animal, amphibian, reptile, mammal, bird, fish, senses, invertebrates, feathers, scales, gills, fins, hair, land, water, backbone, skeleton, carnivore, herbivore, omnivore, meat, plants, body parts, names of animals. Pets. Sense - sight, taste, touch, hearing, taste | Garden plants, wild plants, ever green trees, deciduous trees, leaves, roots, stem, flower, petal, leaves, fruit | Seasons; spring, summer, autumn, winter Year, months, days Hot, warm, mild, cold Sunny Cloudy Rain, sleet, snow, hail, thunder, lightning, rainbow Wet, damp, dry Windy, breezy, gust Temperature Degrees Celsius Thermometer Weather vane Anemometer |
